SAFETY FLOOR SIGNS

Lamba® Systems has helped a large number of corporations control their environments and dramatically reduce their liability programs. Instrumental in these efforts has been Lamba's 2x4™ safety floor sign. Featuring Lockin'Arm™ technology for easy set-up and extra stability, four-sided caution messages display clear warnings from every angle.

Floor Sign

- 600 mm high, bright yellow plastic signs stand up and stay up when needed, fold up when not
- Message displayed clearly on all four sides provides clear warning from every angle
- Innovative Lockin'Arm™ lets you place sign quickly and easily, locks solidly into place to prevent collapsing
- Folds up quickly to space saving 40 mm thickness

SMOKERS CEASEFIRE

SMOKERS CEASEFIRE - SAFE CIGARETTE DISPOSAL

Now there is a safe and tidy way to handle cigarette butts

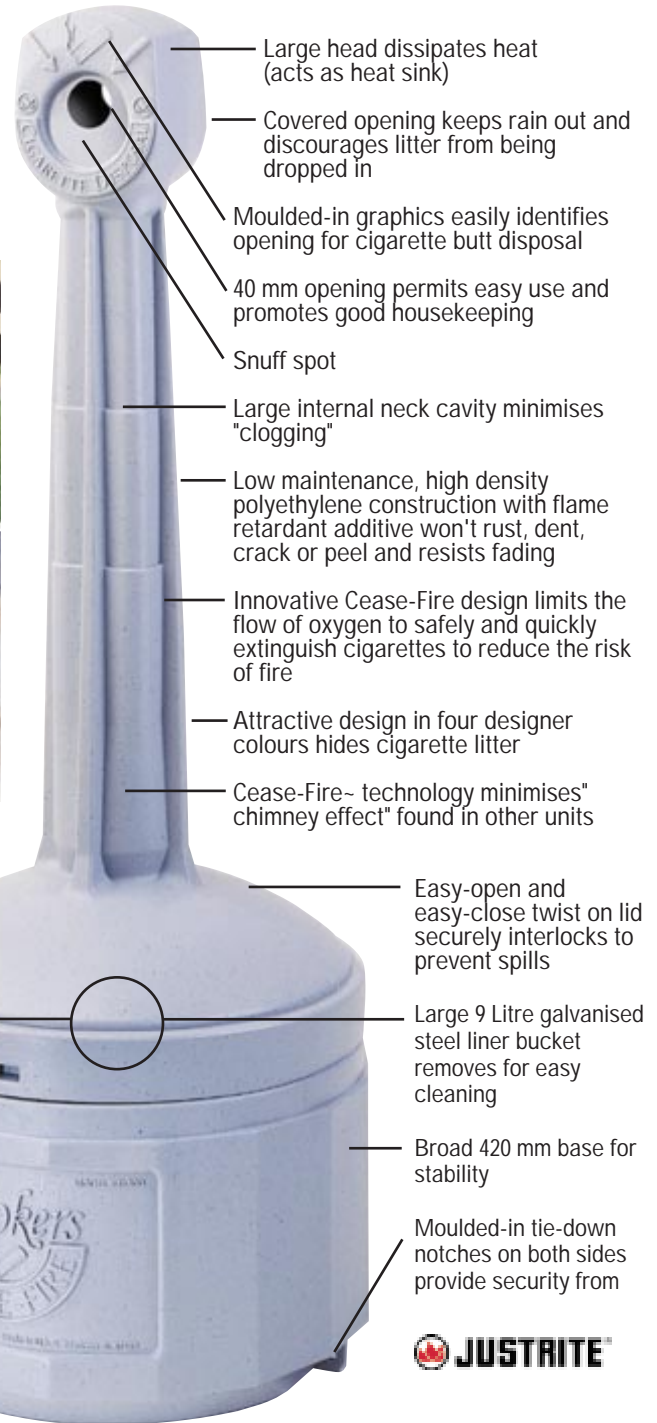

The new Justrite "Smokers Ceasefire" provides a safe way for people to discard cigarette butts before entering your building.

Standing 120 cm high this product offers not only an attractive way of disposing of unsightly cigarette butts but also a safe way.

The design of the Justrite "Smokers Ceasefire" only allows for the disposal of cigarette butts.

This product eliminates the need for "containers full of sand" or "drums" that are often used as rubbish bins and can become a fire hazard.

"The safe and attractive answer to cigarette butt disposal to keep your property clean"
