

# SPEAKMAN

## EMERGENCY SHOWERS & EYEWASHES

All of our Emergency Showers and Eye/Face Washes have independent laboratory accreditation to the Australian Standard Requirements.

*Made to withstand even the most hardy of working environments, so you know that when you need it to work perfectly every time - it will.*

AUSTRALIAN MANUFACTURER AND DISTRIBUTOR

*The Difference is the Experience.*

## AERATED EYE/FACE WASHES

**SE-400**  
Wall mounted, push hand operated, rectangular stainless steel bowl.

**SE-401**  
Wall mounted, push hand operated, rectangular high visibility plastic bowl.

Speakman Eyesaver® designed eye/face washes, engineered to provide a fast cleansing, low velocity first aid curtain of aerated water that washes eye and face contours gently.

Aerated water provides a peroxide scrubbing action that removes contaminants from delicate soft membrane areas more efficiently and safely. Harsh streams or jets of water that can embed injurious material into the eyes or skin are avoided.

**SE-475**  
Wall mounted, push hand operated.

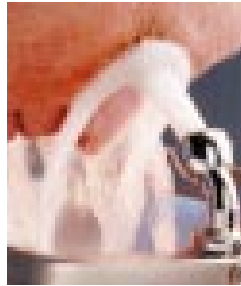

**SE-480**  
(Illustrated)  
Pedestal mounted, hand and foot operated.

**SE-420**  
Pedestal mounted, push hand operated.

## AERATED EYE WASHES

**SE-505**  
Wall mounted, push bar operated, rectangular stainless steel bowl.

Speakman eye washes provide soft dual streams of aerated water to instantly wash away contaminants from soft membrane areas, following eye contours more closely.

**SE-582**  
Wall mounted, push hand operated, round stainless steel bowl.

**SE-575**  
Wall mounted, push hand operated.

**SE-546**  
(Illustrated)  
Pedestal mounted, hand and foot operated, rectangular stainless steel bowl.

**SE-545**  
Pedestal mounted, hand operated, rectangular stainless steel bowl.

## NON-AERATED

**SE-580**  
Wall mounted eye wash.

**PEM-575**  
Wall mounted eye/face wash.

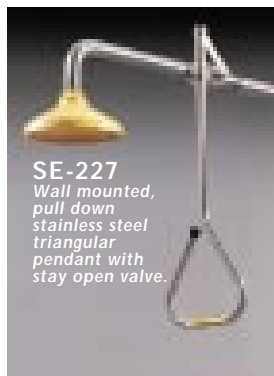

**PEM-490**  
Wall mounted eye/face wash, stainless steel bowl.

## EMERGENCY DELUGE SHOWERS

All Speakman Lifesaver® shower heads are non clogging, self cleaning and can be supplied to fit any application. The impeller action of these heads distributes floods of water without voids in the shower pattern, that ensures complete body coverage for faster decontamination.

**SE-220**  
Ceiling mounted, pull down stainless steel triangular pendant with stay open valve.

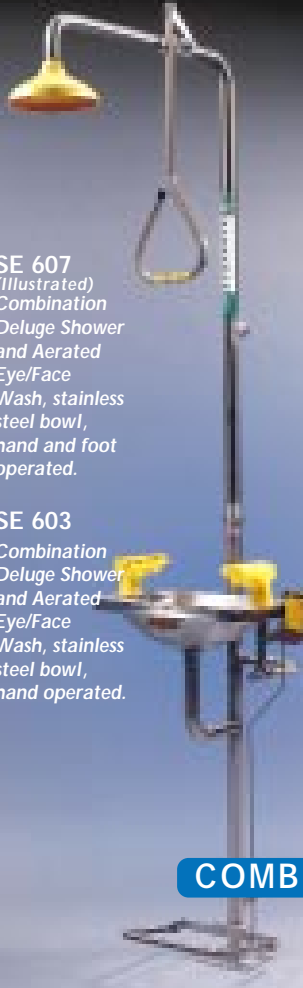

**SE-227**  
Wall mounted, pull down stainless steel triangular pendant with stay open valve.

**SE-253 PO**  
Free standing, step on platform operated.
