Combination Deluge Shower with Aerated Eye Wash

MODEL NO: SE679

DESCRIPTION:

Floor Mounted Emergency Deluge Shower and Aerated Eye Wash combination unit.
Shower is supplied with a 25mm stay-open full flow ball valve, activated by a triangle pull rod.
Eye wash is supplied with a 15mm stay-open full flow ball valve, activated by a paddle handle or foot pedal.

FEATURES:

- Combination Deluge Shower and Aerated Eye Wash
- 12L Per Minute Bullhorn designed eye wash, engineered to provide a fast cleansing, low velocity first aid stream of aerated water
- Speakman Lifesaver® Deluge shower heads with impeller action distribute a flood of water without voids in the shower pattern to ensure even coverage for faster decontamination
- Full Stainless-Steel Design

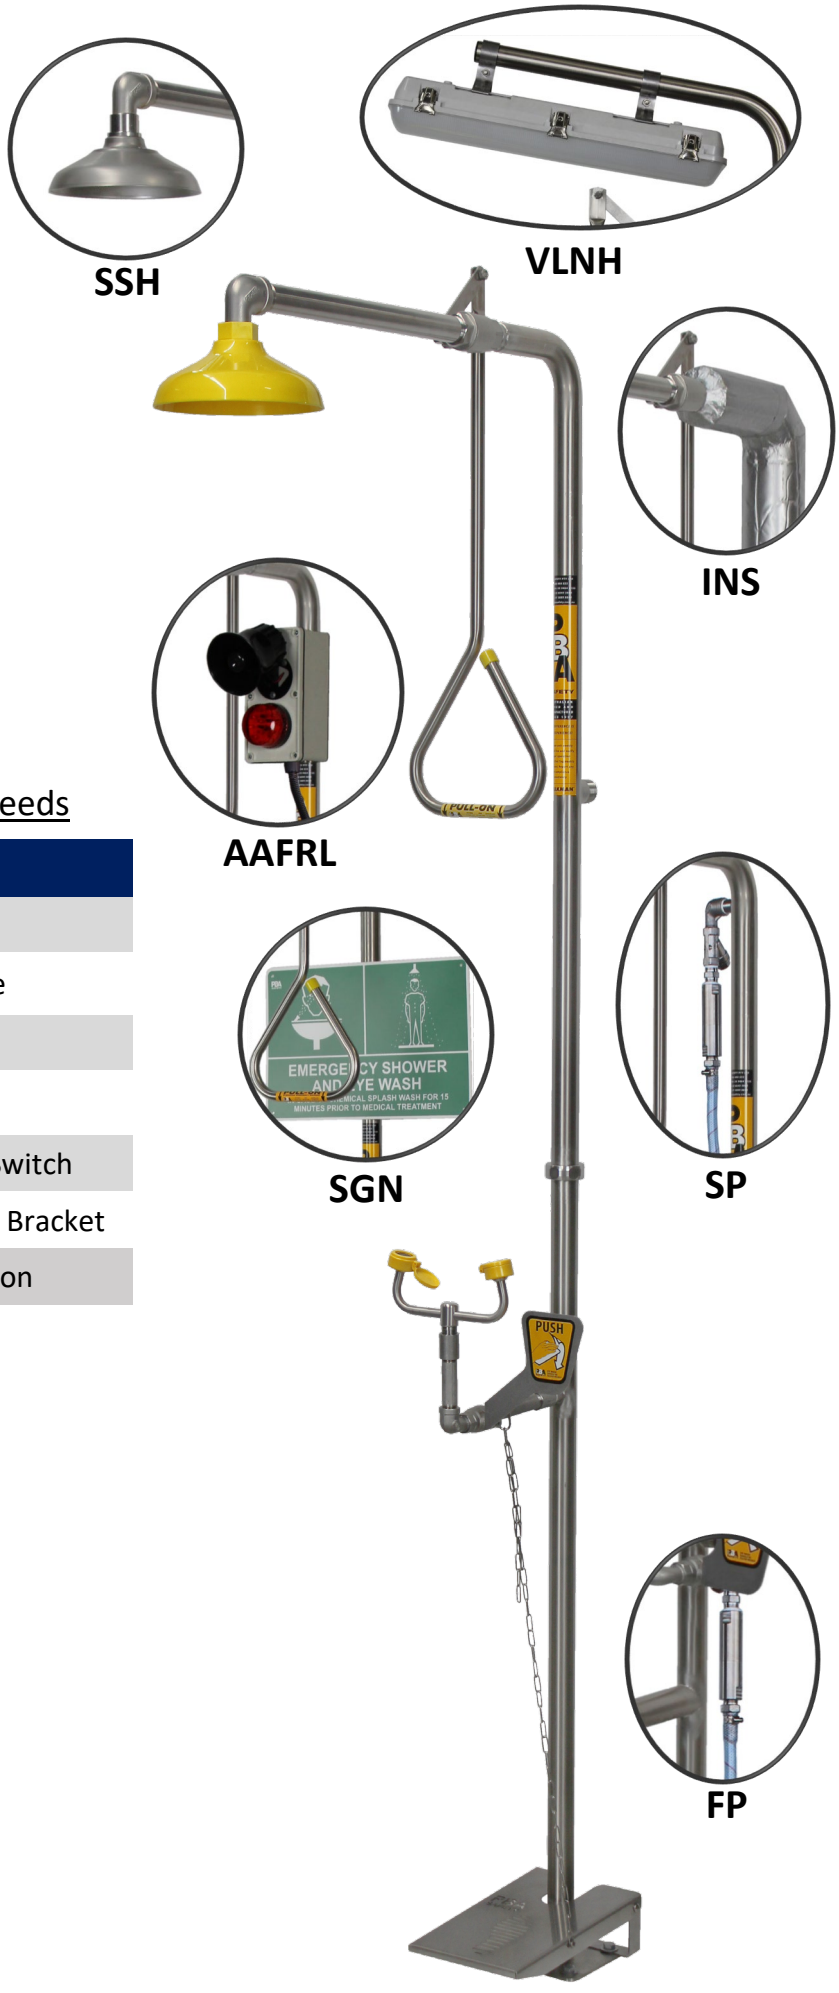

COMPLIANCE:

- AS4775-2026
- ANSI/ISEA Z358.1

OPTIONAL EXTRAS & ACCESSORIES

The Perfect Combination

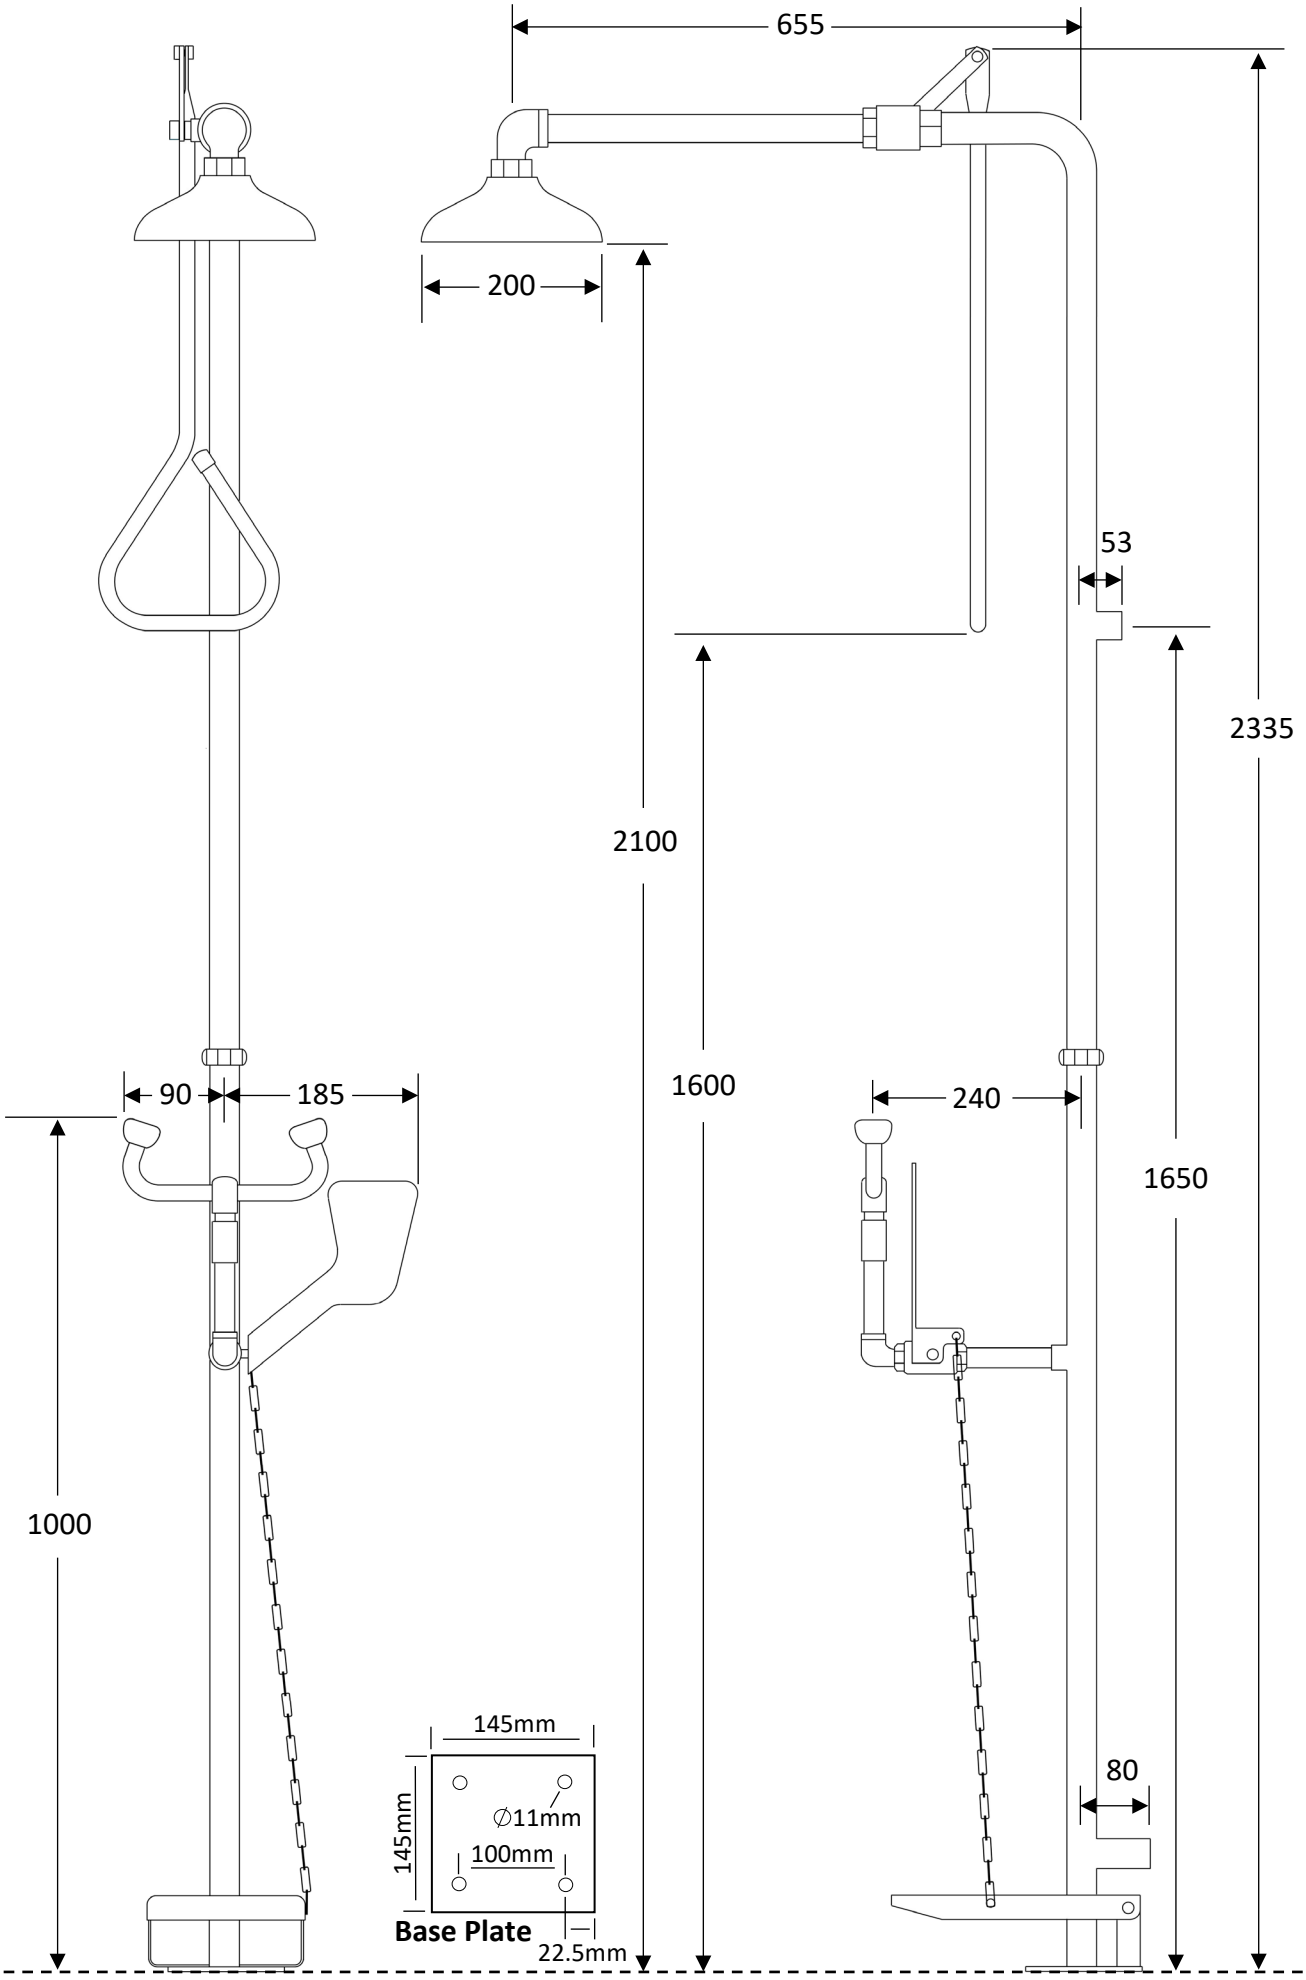

Safety should never be compromised. Selecting the perfect emergency equipment can become such a complicated experience. But not anymore. Our Traditional Combination Stations pair every item necessary to create a complete safety solution. Featuring our signature eyewashes merged with our powerful Lifesaver Shower Head - these fixtures take the guesswork out of selecting compliant equipment.
